To participate you must be a currently enrolled, 3rd year, Honours or Masters student at the University of Melbourne. The ideal team should consist of 5 students although teams of 4 students will also be considered. **The deadline for registering your team is 5.00 pm on Monday, 20 April 2015.** Teams need to be complete the [application form](#) and email the form to Asjeet S. Lamba at asjeet@unimelb.edu.au. Note that, if selected, your team’s composition may not be altered for any reason. That is, if one or more members subsequently drop out then only the remaining team members can compete going forward. According to CFA Institute’s rules for past competitions, a minimum of three members are required to form a valid team going forward.

Your team’s task will be to write a broker’s report for a company based on independent research of its current financial position. **Your written report will be due by 5.00 pm on Friday, 22 May 2015.** The best four reports will be selected for presentation at the campus final during the week of 25 May 2015. Details on the competition rules and the company to be analyzed will be provided to registered teams only. Please note that these deadlines have been specifically chosen so we can wrap up the Melbourne Uni Round of the competition before final exams commence.

All queries regarding the University of Melbourne Campus Competition should be directed to Asjeet S. Lamba at asjeet@unimelb.edu.au. Additional information on the CFA Institute Research Challenge can be obtained via [www.cfainstitute.org/researchchallenge](http://www.cfainstitute.org/researchchallenge).
