

CAMP-Melbourne Institute Applied Macroeconometrics Workshop

3 December 2015

Venue: Room 605, Melbourne Institute, 111 Barry Street, FBE Building, Level 6

This workshop is a joint initiative by the Melbourne Institute and the Centre for Applied Macro and Petroleum economics (CAMP), BI Norwegian Business School. The purpose of this workshop is to bring academics and policymakers together to discuss policy-relevant issues using state-of-the-art empirical macroeconomic tools.

Main sponsors: CAMP, BI Norwegian Business School, and Norges Bank.

Contributions by the Bayesian Analysis and Modeling Research Group (University of Melbourne), the Bank of Canada, the Reserve Bank of Australia and the Reserve Bank of New Zealand are gratefully acknowledged.
