

Exemption List - Part II. University of Melbourne

Timing of Information: [Semester 2, 2014](#)

Students marked YES in the "EXEMPT" column on this list will be recommended for exemption from IAAust Part II. Appropriate application needs to be made, by the student, via Centre for Actuarial Studies, to the IAAust. Decisions regarding exemptions are final.

Students without YES in the Exempt Column shall not be recommended for an exemption as they have not achieved the required positive aggregate (shown as "Negative"), or have yet to take all three subjects (shown as "Incomplete"). NYT denotes students that according to our records have not yet taken the relevant subject.

Distance students may need to provide further information if they have previously completed relevant subjects under different student numbers or at other institutions.
