**Notes**

1. If you are not an Actuaries Institute University Subscriber or Student Member, to process your application the Actuaries Institute will allocate you a unique number and register you as a Non-Member. Please visit https://actuaries.asn.au/becoming-an-actuary/becoming-a-member for information on joining the Actuaries Institute as a member.

2. For your exemption(s) to be formally granted by the Actuaries Institute, exemption fees will need to be paid at the same time as applying for Student membership with the Actuaries Institute. For further information, please visit the Exemption webpage at: https://actuaries.asn.au/becoming-an-actuary/how-to-become-an-actuary/exemptions

3. Please ensure the information entered on the form is correct, you will be informed by email once the Institute has processed the exemption application.
